BIG BLOCK MUFFLERS

MILD-STOCK
EXTERIOR SOUND LEVEL

MILD
INTERIOR RESONANCE

Our largest and quietest muffler, the 50 Series Big Block Mufflers is made for tow vehicles, full-size trucks, large SUV's and RV's / Motorhomes. More than just compatible with big cubic inch engine applications, the 50 Series Big Block incorporates a very large Resonance Tuning Chamber to almost completely reduce interior sound in large cab vehicles and enough case volume to handle engines under heavy loads – perfect for tow vehicles. Significant improvements in mileage, torque, and horsepower are to be expected from this muffler, as well as decreased engine heat and wear.

- The quietest Flowmaster we make!
- Available in 16-gauge aluminized steel
- Fully MIG-welded for maximum durability
- Backed by a three-year warranty
- Greatly reduces interior sound and resonance

DRONE BUSTER >>

Tow vehicle owners know that a noisy truck exhaust is no fun regardless of whether your trips are cross town or cross country. Flowmaster 50 Series Big Block mufflers feature special sound cancelling technology incorporating a large Resonance Tuning Chamber that reduces overall noise and that dreaded race muffler "drone" delivering more power, torque and mileage.
